

# 68K/ColdFire Products Roadmap

Updated: 26 Apr 06

Except for historical information, all of the expectations and assumptions, contained in the foregoing are forward-looking statements involving risk and uncertainties. Important factors that could cause actual results to differ materially from such forward-looking statements, include, but are not limited to, the competitive environment for our products, changes of rates of all related services, and legislation that may affect the industry. For additional information regarding these and other risks associated with Company's business refer to the Company's reports with the SEC.
