

Ethernet Waterproof Connector

Key Feature

Ideal Solution
for IP Cam

- UV Resistant
- IP67 Waterproof
- Molded With Cable & Field Installable Available
- Screw Type
- Shielded and Unshielded Versions
- Fast Networking Connectivity in Rugged Environments

Integrate IP Cam's Power and LAN

Ethernet Waterproof Connector

Application Field

Ideal Solution for
Security Surveillance

Physical Security

Infrastructure Security

Property and Asset Management

- Automated Traffic Control
- Airport
- Factory
- Parking Lot
- Homeland Security
